

# HELMUT GRILL

## THE GUARD WHITE (GENESIS TOKEN)

After the purchase of "THE GUARD WHITE" NFT Helmut Grill grants you the following rights:

The owner of the copyright in the works remains the copyright owner.

The Grantee will not receive ownership of the Works, but will receive certain limited rights in the Works, as set forth herein.

Upon confirmation of the NFT on the Blockchain, the purchaser becomes the grantee and immediately receives a worldwide, non-exclusive, transferable license to the Works, as set forth herein, for the period during which the grantee owns the NFT.

Licensee is granted the right to use, copy and display the Works.

Licensee is not authorized to modify the Works, create derivative works, transform the Works, or perform the Works.

Licensee MAY NOT use the Works commercially unless Licensee obtains the written consent of the Author.

Licensee MAY NOT use the Works in any manner that associates the Works with hatred, intolerance, violence or cruelty, or otherwise infringes the rights of others.

Any exercise of the rights granted herein shall require attribution to the author and creator, if any, listed in the NFT sale to the extent possible.

Licensee shall not challenge Licensor's copyright in the Works.

The NFT Seller warrants that it is authorized to license the Works and that it agrees to these terms.

Licensee may contact Licensor if it wishes to acquire any rights not included herein.

Any further grant of rights must be in writing and evidenced by another NFT or signed documents to which all parties agree.
